Please note that due to low water

levels there could be some down trees/pull-overs. (There could be mud.) Not saying there will be, but it is a possibility.

Meet at 10AM outside the entrance to Oleno State Park. At 10:10 we will drive to the Bible Camp Road boat launch, unload boats and shuttle vehicles to takeout at Oleno State Park. After the relatively short, shaded and beautiful paddle we will have a picnic at Oleno. Bring everything that makes you comfortable and a picnic lunch. You will also need \$5 per vehicle for state park entrance if you do not have an annual pass.

Please let Sandy know if you plan to join us.
