

3rd (4th) Annual Iche Nippy Dip Day Jan. 7, 2017

December 23, 2016

Friends of the Ichetucknee has sent the following flyer. Address is North Entrance, 8294 SW Elim Church Road (County Road 238).

There have been three previous dips; the very first included ONLY Merrillee, Bob Knight, and Cathy Street. Three hardy souls, three forward thinking assets to our community. Think how our North Florida environmental community has changed, thanks to these people. Come to this fourth one as a tribute to our ritual and our common support to our springs, in the face of adversaries who would destroy them for personal profit.
