

# Invitation for OSFR Members to WWALS Monthly Outing, Sat. Aug. 15

August 14, 2015

Chris Mericle of WWALS has sent President Smith the following invitation. As you can see, this invitation is one of the many benefits of membership in OSFR.

Pam,

WWALS has monthly outings usually paddling our beautiful rivers. I would like to invite you and your members to join us. Our next outing is this Saturday, we will meet at Gibson park on the Suwannee in Hamilton Co. 8 am. We will paddle upstream just a short distance to the Alapaha Rise then downstream past the confluence of the Alapaha and Withlacoochee with the Suwannee, numerous springs and the proposed Sabal trail pipeline crossing ending at the Suwannee River State Park.

Hope you can join us,  
Chris Mericle
