

Lake City to Contribute \$5,000 to SRWMD for Aquifer Study

December 12, 2008

Aquifer Story:

City dedicates \$5,000 to SRWMD for aquifer assessment
Lake City entered an agreement with Suwannee River Water Management District, the Florida Department of Environmental Protection and tentatively the Columbia County Board of County Commissioners to conduct an aquifer vulnerability assessment.

At its regular meeting Monday night, City Council approved a resolution, in which the city will dedicate \$5,000 to help fund the \$80,000 study.
