

# “Lost Springs” Film and Celebrate Marjorie Harris Carr’s 103rd Birthday

March 22, 2018

The following comes from Florida Defenders of the Environment. The “Lost Springs” film has quickly become a classic due to its message and execution, well worth your time.

Comments by OSFR historian Jim Tatum.

-A river is like a life: once taken, it cannot be brought back-

---

Join us to see the “Lost Springs” film and celebrate what would have been Marjorie Harris Carr 103rd Birthday. Food and Cake will be served. This event is Free and open to the public.

Monday March 26, at 6 PM
