On Monday, Jan. 2 we will have a Holiday Wine Down paddle on the Santa Fe. Put in at the public boat ramp just North of High Springs on 441 at 2:30PM. Paddle upstream till time to turn around, then float and steer back together while we share food and drink that you bring to Wine Down. Back to vehicles and takeout at dusk. Bring your boat and all that makes it legal, a snack to share and the beverage of your choice.

On Wed. am, Sandy added the following:

Right now there is a 50/50 chance of rain. If you plan to go, please email me your contact info at sandy.hubbard@oursantaferiver.org That way, if I need to make a weather call I can reach you.
