# Fort White Middle School Parknership Program

April 20, 2016

You are cordially invited to our

End of the Year Parknership Awards Ceremony on Tuesday, May 10, 2016 in the Fort White Middle School Cafeteria.

We will begin with a meet and greet beginning at 6:00 p.m., followed by the award ceremony at 6:30 p.m. During this time, you will have an opportunity to meet some of our partners and see the many things that our students have learned during their hands-on classroom labs and other service learning activities.

Light refreshments will be served.

We look forward to sharing our experiences with you, and look forward to seeing you at the awards ceremony!
