

Vote 'Yes' On Amendment 1

October 6, 2014

Thanks to Karma Norjin Lhamo of the Ichetucknee Alliance for the link to the article by Julie Hauserman in today's [Tallahassee Democrat](#), outlining the many reasons for supporting the all-important Amendment 1 in the up-coming elections.

"It's on the ballot Nov.4, and you should definitely vote yes. It will pass if 60 percent of us vote yes." "There is only one way to save natural Florida, and that is to buy some of it and keep it."

Voters should inform themselves and act accordingly, especially if they are not satisfied with the environmental protection we are currently witnessing with our elected and appointed caretakers.
